Getting to Know You...

Each year at BCMA, staff revels in the opportunity to get to meet so many of the individual component manufacturers and exhibitors that we serve throughout the year. Thank you for stopping by the BCMA booth to learn about all of the new educational, technical and marketing opportunities that are available through the Wood Truss Council of America and other industry organizations. It was great to meet you and we look forward to seeing everyone again next year as we gather in Fort Worth, Texas for BCMA 2006!

STRUCTURAL BUILDING COMPONENTS™

THE FUTURE OF FRAMING

The mission of Structural Building Components Magazine (SBC) is to increase the knowledge of and to promote the common interests of those engaged in manufacturing and distributing of structural building components to ensure growth and continuity, and to be the information conduit by staying abreast of leading-edge issues. SBC will take a leadership role on behalf of the component industry in disseminating technical and marketplace information, and will maintain advisory committees consisting of the most knowledgeable professionals in the industry. The opinions expressed in SBC are those of the authors and those quoted solely, and are not necessarily the opinions of any of the affiliated associations (SBCC, WTCA, SCDA & STCA) .
