WTCA Chapters

As of March 13, 2008

WTCA Chapters play a key role in the future of the structural building components industry. For an industry to be successful, it must have full participation of all members. Local chapters provide the opportunity to actively participate and shape its future. For more information, contact us at chapters@sbcindustry.com.

Membership Directory

Associate Members

As of March 13, 2008

Please note that WTCA Associate Members are categorized based on the classification notes on their WTCA Membership Application. In many cases, these companies may provide more services than that classification indicates. Look for a detailed "Associate Member/Product Listing" in the 2008 Buyer's Guide & Supplier Showcase to be polybagged with the November issue of *SBC Magazine*.
