ALSC Staff, Board of Directors & Lumber Industry Colleagues

Dear All:

Some of you may know me as John McDaniel's son "Little John", others may not know me at all.

While this may be a bit unorthodox, I felt the need to reach out to you all. Over the years my father has shared many stories about his career and the people he worked alongside. So many of these stories were told with such reverence that many times I felt I have a personal connection beyond simple dinnertime reflections and arms distance acquaintances.

I know the people he surrounded himself with on professional and personal levels added to the love of what he did.

On a special note I would like to extend a heartfelt thank you to those who extended the courtesy of working with my father during this trying time. Many of you provided him understanding, dignity, and respect. On behalf of my family and my mother, we thank you very much.

Sincerely,

"Little John" McDaniel
